## Enter Your Grades

Add grades as you receive them. We'll calculate your standing in real-time.

| Current Grade | Graded | Remaining |
|---|---|---|
| 90.0% | 30% | 70% |
| Based on graded assessments only | Of total course weight | Still to be graded |

### Institutional Evaluation (YorkU)

Your current standing expressed using YorkU grading rules.

| | |
|---|---|
| Current Percentage | 90.0% |
| Letter Grade | A+ |
| YorkU Grade Point | 9.0 / 9.0 |
| Descriptor | Excellent |

Based on graded assessments only. This does not modify your stored grades.

**Quizzes**
15% of final grade

Rule:
Best 10 of 11 quizzes count toward 15% (each counted quiz = 1.5%)

**Midterm Exam**
30% of final grade
90 %

Contributing 27.0% to your final grade

Rule:
Must achieve at least 50% to pass the course

**Final Exam**
40% of final grade
Not graded %

Rule:
Cumulative exam covering all course material

**Weekly Labs**
15% of final grade

Rule:
Best 9 of 10 labs count toward 15% (each counted lab = 1.67%)

About "Not graded yet"
Empty grades are not counted as 0%. Your current grade only reflects completed assessments. This gives you an accurate view of your performance so far.

Set Your Target
Choose a target grade and we'll show you exactly what's needed to reach it.
Target Grade
85%
Pass (50%)
Average (70%)
Excellence (90%)
Most students aim for 75-85% in this type of course
What You Need
Required average on remaining work
Challenging
85.0%
across 100% of remaining assessments
Evaluation Breakdown
Target percentage 85.0%
Earned so far 0.0%
Remaining weight 100.0%
Required remaining average 85.0%
Formula
(85.0 − 0.0) ÷ 100.0 = 85.0%
This evaluation is deterministic and does not modify stored grade data.
0%
50%
100%
This target is achievable but will require strong performance ahead.
Current Standing
